

**Dear Potential Sponsor:**

**Bremen High School** is announcing some exciting news. Bremen High School and the **Athletic Director Troy Holmes** have teamed up with **Slam Dunk Sports Marketing** and received an **NBA Scrolling Sign Cabinet** for the arena. This cabinet is similar to the ones with rotating sponsor ads you see at division 1 college and professional basketball arenas.

Bremen High School has a limited amount of sponsorships available on the sign cabinet. Slam Dunk Sports Marketing can provide your company or organization a terrific opportunity to advertise, promote and get your business ***“in the game”*** at all of the sporting events held at the Bremen High School arena. ***Your custom graphic advertisement panel will be displayed at all sporting events held in the gymnasium, and will be seen by thousands of Home and Visiting Fans every year!***

Each 3' x 4' or 3' x 8' panel is designed with full color custom graphics. The sign cabinet is located at the north end of the gym and contains 14 custom graphic panels. Your sponsorship will generate revenue for the school's athletic programs. This program is truly a win-win for your business and Bremen High School. Your company has several options in order to maximize your investment in this unique advertising and sponsorship opportunity.

**The Sponsorship Opportunities are:**

<b>Lay Up</b>	3' x 4' panel	2 years: \$650	3 years: \$850	5 years: \$1150
<b>Jump Shot</b>	3' x 8' panel	2 years: \$1200	3 years: \$1500	5 years: \$2000
<b>Slam Dunk</b>	(2) 3' x 9' panels	3 years: \$2400	5 years: \$3000	10 years: \$5000
