The majority of students taking these exams are currently enrolled in either a Biology 1B, English 10B, or Algebra 1B course. If you are enrolled in one of these courses, you will be taking the test this next week. To learn more about the test, testing times, and testing locations, see either your Biology 1B, English 10B, or Algebra 1B teacher. There will also be testing rosters posted on the Main Office window and the doors of Labs 311 and 327 to show you where and when you will be testing. You can also see Mr. McKeand if you have testing questions.

The new Bonus Incentive List will be posted Today on the "b" and Senior Board. All juniors and seniors are responsible for seeing if you are on it during this period. If you are not and don't show up, you will be counted tardy. Any questions, see Mrs. Miller.
